THE GOSPEL SPREADS TO SAMARIA

Every day people can have _____ impact.

Although the believers were scattered by persecution, they preached the wonderful news of the word of God wherever they went. Philip traveled to a Samaritan city and preached to them the wonderful news of the Anointed One. The crowds were eager to receive Philip's message and were persuaded by the many miracles and wonders he performed. Many demon-possessed people were set free and delivered as evil spirits came out of them with loud screams and shrieks, and many who were lame and paralyzed were also healed. This resulted in an uncontainable joy filling the city! ACTS 8:4-8 TPT

- *Euangelizō* means, "I am _____ the Good News of the arrival of a King."

PHILIP AND THE ETHIOPIAN

After Peter and John had testified and taught the word of God in that city, they returned to Jerusalem, stopping at many Samaritan villages along the way to preach the hope of the gospel. Then the Lord's angel said to Philip, "Now go south from Jerusalem on the desert road to Gaza." He left immediately on his assignment.

Along the way he encountered an Ethiopian who believed in the God of the Jews, who was the minister of finance for Candace, queen of Ethiopia. He was on his way home from worshiping God in Jerusalem. As he rode along in his chariot, he was reading from the scroll of Isaiah. The Holy Spirit said to Philip, "Go and walk alongside the chariot." So Philip ran to catch up. As he drew closer he overheard the man reading from the scroll of Isaiah the prophet. Philip asked him, "Sir, do you understand what you're reading?"

The man answered, "How can I possibly make sense of this without someone explaining it to me?" So he invited Philip up into his chariot to sit with him. The portion from Isaiah he was reading was this: He was led away to the slaughter like a lamb to be offered. He was like a lamb that is silent before those who sheared him— he never even opened his mouth. In his lowliness justice was stripped away from him. And who could fully express his struggles? For his life was taken from the earth.

The Ethiopian asked Philip, "Please, can you tell me who the prophet is speaking of? Is it himself or another man?" Philip started with this passage and shared with him the wonderful message of Jesus.

As they were traveling down the road, the man said, "Look, here's a pool of water. Why don't I get baptized right now?" Philip replied, "If you believe with all your heart, I'll baptize you." The man answered, "I believe that Jesus is the Anointed One, the Son of God." The Ethiopian stopped his chariot, and they went down into the water and Philip baptized him. When they came up out of the water, Philip was suddenly snatched up by the Spirit of the Lord and instantly carried away to the city of Ashdod, where he reappeared, preaching the gospel in that city. The man never saw Philip again. He returned to Ethiopia full of great joy. Philip, however, traveled on to all of the towns of that region, bringing them the good news, until he arrived at Caesarea. ACTS 8:25-40 TPT
