THERE IS A TIDE THAT IS RISING

The invitation is on the table to come into the _____ of the waters.

Then he brought me back to the door of the house; and behold, water was flowing from under the threshold of the house toward the east, for the house faced east. And the water was flowing down from under, from the right side of the house, from south of the altar. And he brought me out by way of the north gate and led me around on the outside to the outer gate, by the way facing east. And behold, water was spurting out from the south side.

When the man went out toward the east with a line in his hand, he measured a thousand cubits, and he led me through the water, water reaching the ankles. Again he measured a thousand and led me through the water, water reaching the knees. Again he measured a thousand and led me through the water, water reaching the hips. Again he measured a thousand; and it was a river that I could not wade across, because the water had risen, enough water to swim in, a river that could not be crossed by wading. And he said to me, "Son of man, have you seen this?" Then he brought me back to the bank of the river.

*Now when I had returned, behold, on the bank of the river there were very many trees on the one side and on the other. Then he said to me, "These waters go out toward the eastern region and go down into the Arabah; then they go toward the sea, being made to flow into the sea, and the waters of the sea become fresh. And it will come about that every living creature which swarms in every place where the river goes, will live. And there will be very many fish, for these waters go there and the others become fresh; so everything will live where the river goes. And it will come about that fishermen will stand beside it; from Engedi to Eneglaim there will be a place for the spreading of nets. Their fish will be according to their kinds, like the fish of the Great Sea, very many. But its swamps and marshes will not become fresh; they will be left for salt. And by the river on its bank, on one side and on the other, will grow all kinds of trees for food. Their leaves will not wither and their fruit will not fail. They will bear fruit every month because their water flows from the sanctuary, and their fruit will be for food and their leaves for healing." **Ezekiel 47:1-12 NASB***

3 THINGS WE NEED TO KNOW BEFORE TAKING THE PLUNGE

1. Our God is _____, but He is also _____.

In the twenty-fifth year of our exile, at the beginning of the year, on the tenth of the month, in the fourteenth year after the city was taken, on this very day the hand of the Lord was upon me and He brought me there. In the visions of God He brought me into the land of Israel and set me on a very high mountain, and on it to the south there was something like a structure of a city. So He brought me there; and behold, there was a man whose appearance was like the appearance of bronze, with a thread of flax and a measuring rod in his hand; and he was standing in the gateway. And the man said to me, "Son of man, see with your eyes, hear with your ears, and pay attention to all that I am going to show you; for you have been brought here in order to show it to you. Declare to the house of Israel all that you see."

*And behold, there was a wall on the outside of the temple all around, and in the man's hand was a measuring rod of six cubits, each of which was a cubit and a hand width. So he measured the thickness of the wall, one rod; and the height, one rod. **Ezekiel 40:1-5 NASB***

2. In the hand of God is a purpose for your life that will bring _____ everywhere it goes.

3. It is not completely _____ in the deep end, because the rushing waters will wash away little dreams, earthly trophies, and human ambitions.
